

Getting Around - Survey Results

1. Do you use the local bus service?

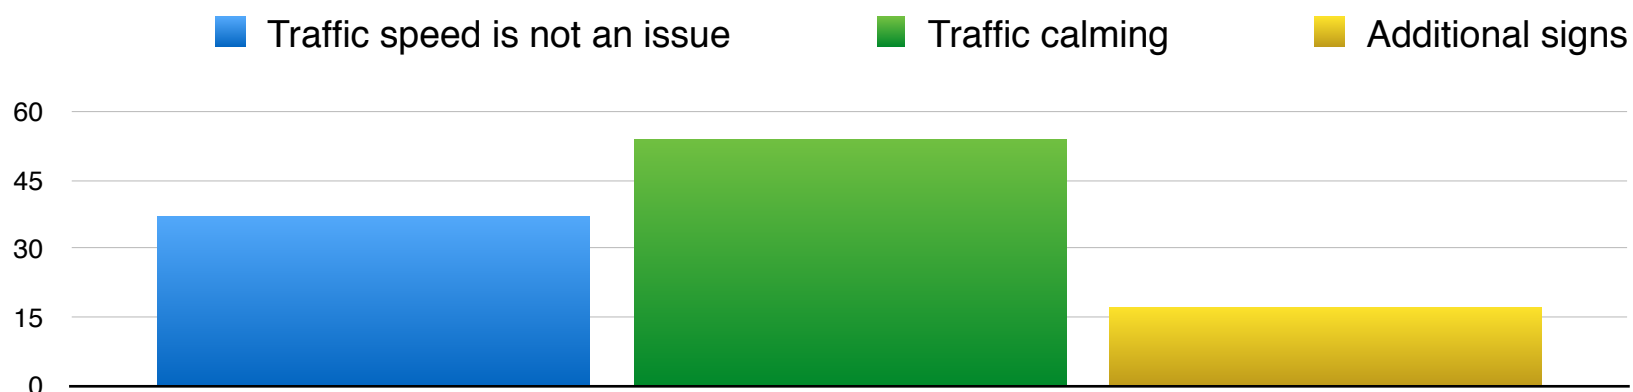

2. Why not?

Comments

Most prefer to drive; too far to carry shopping; difficult to get on

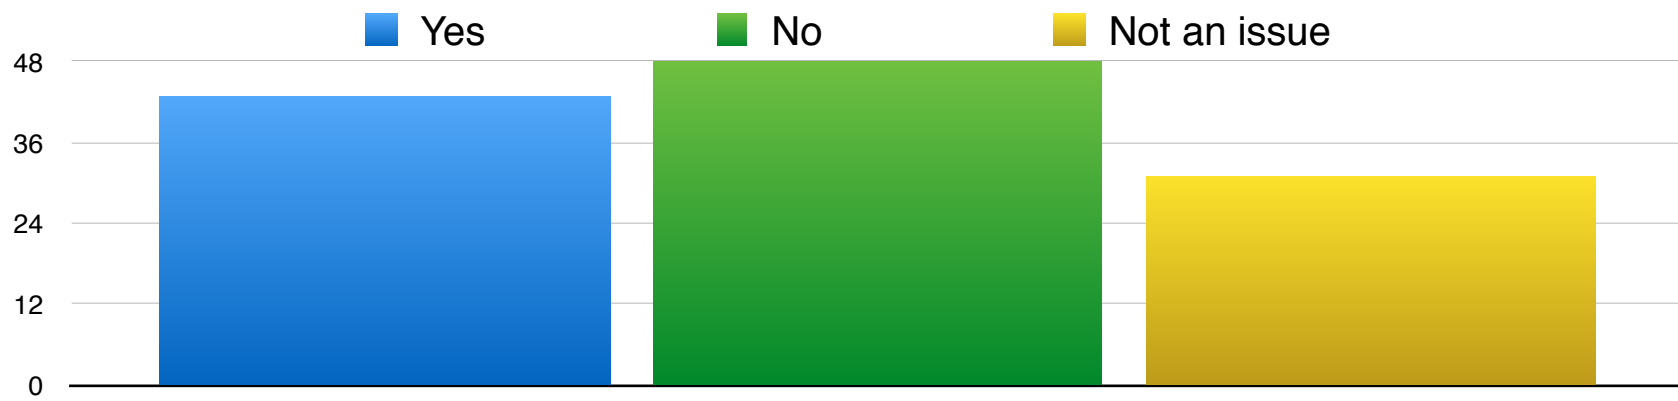

3. How would you deal with traffic speed issues?

Comments

20mph speed limit in The Street; Speed camera on Long Furlong; reduction of speed limit on A280

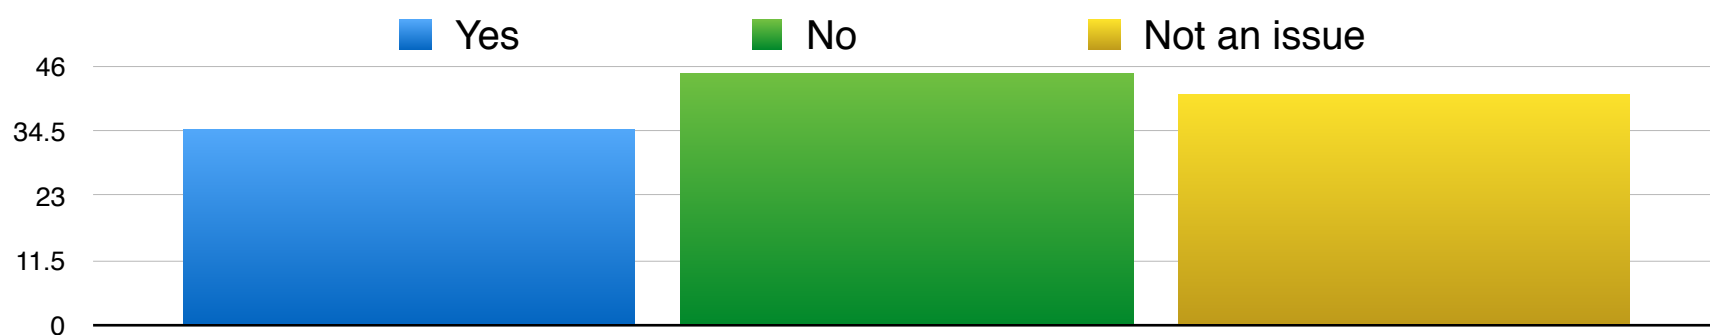

4. Are the roads adequately maintained?

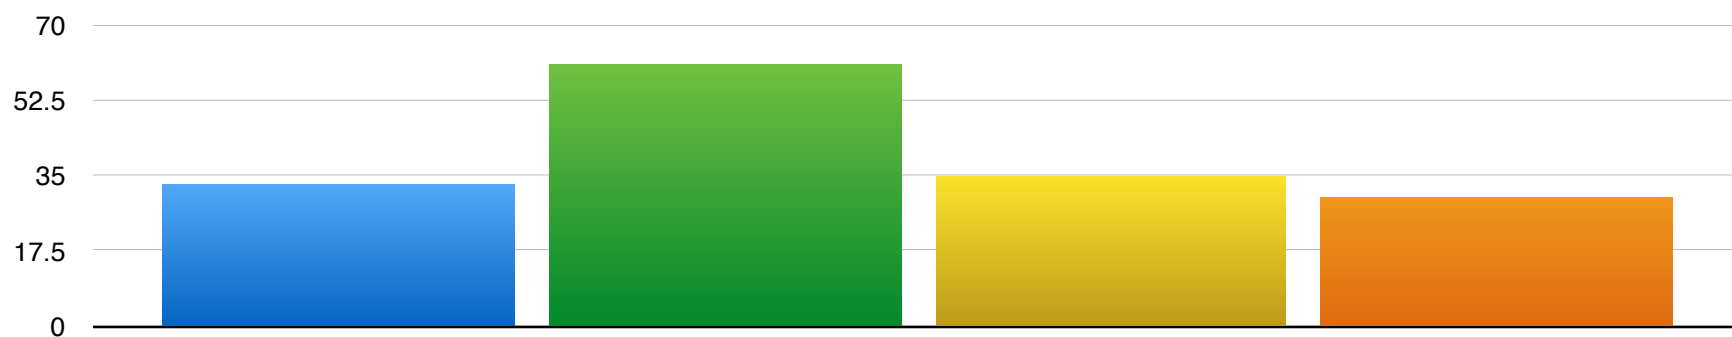

5. If no, which roads are a particular issue?

Church Road access; Clapham Common; The Street

6. Are the road verges adequately maintained?

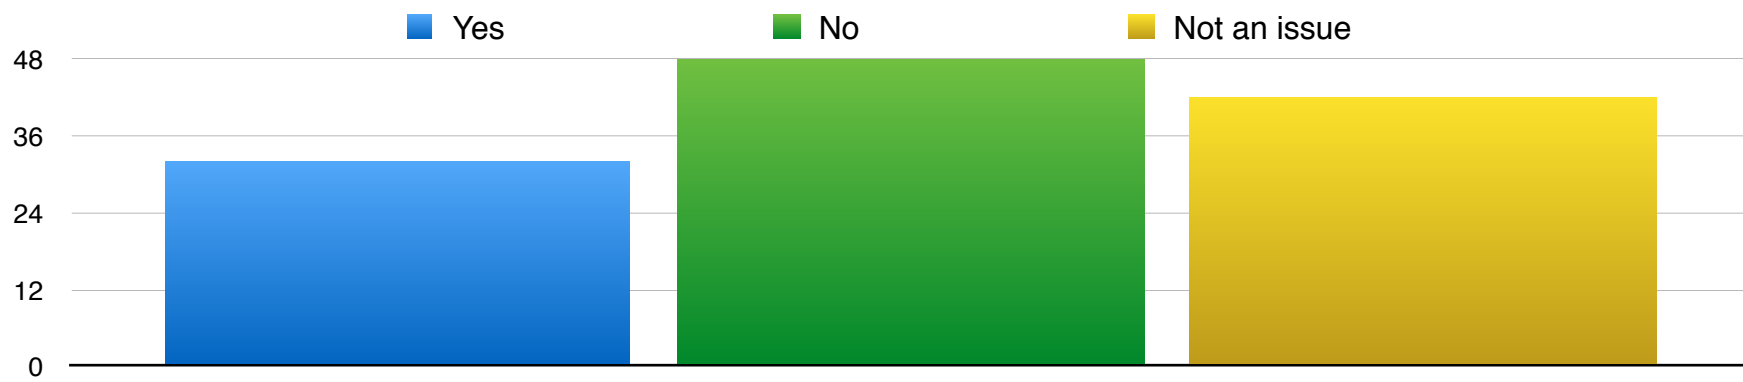

7. How can we improve congestion in the Parish?

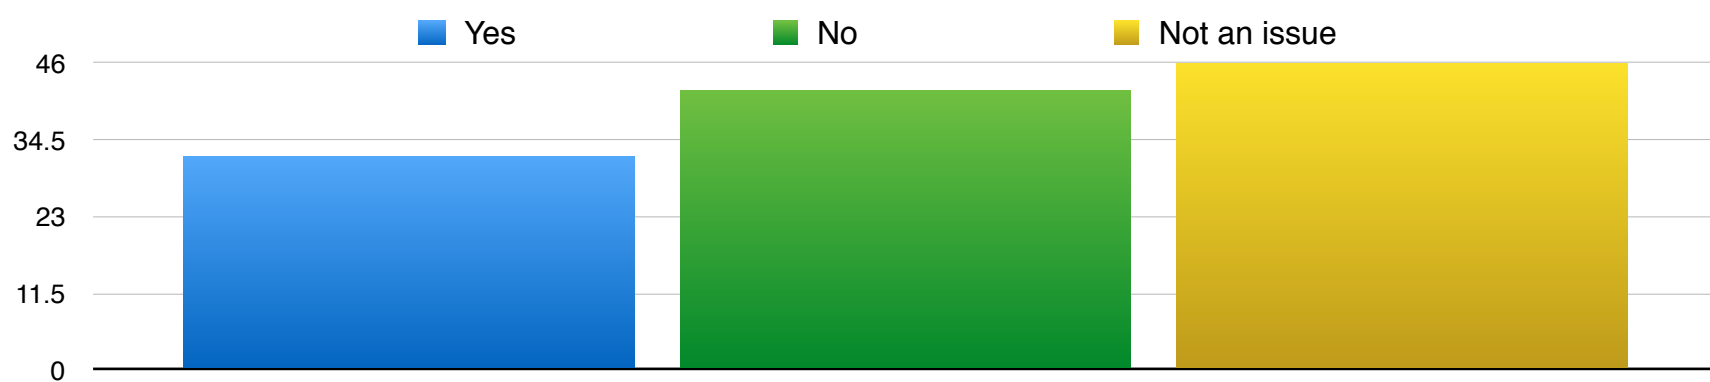

- Stricter police enforcement of parking restrictions
- Provide additional off-road parking
- Replace grass verges with Grasscrete where feasible, to allow legal parking with 2 wheels off the carriageway
- Not an issue for me

8. Are our footpaths (public rights of way) adequately maintained?

9. Are our footways (pavements, when they exist) adequately maintained?

10. Should there be more footways?

A range of improvements were suggested which the Parish Council will review.
