FUND RAISING IDEAS

Present funds now top £1,000

New ideas are always welcomed, please forward ideas to any member of the committee.

Meanwhile we are putting together a **RECIPE/FAVORITE WALK** book for the village. Any recipes and/or favourite walks would be welcome. Just jot, scribble or sketch down your favourites and drop them into The Junction.

On moving to Clapham there was a fig tree in my new garden, so to sensibly use this unusual fruit I have developed a wonderful fig chutney, this will be in the up and coming book plus a few successful gluten/dairy free recipes I have found useful.
