

# COPPICE VOLUNTEERS NEEDED

The South Downs National Park Authority is looking for volunteers to join a small but growing woodland coppice team at Clapham Woods, West Sussex.

You will support the management of Church Copse as an important habitat for declining woodland species such as the hazel dormouse and pearl-bordered fritillary butterfly.

The group meets every Thursday, 10am - 3pm. No experience is necessary, just a willingness to get involved in all weather! All training and equipment is provided.

If you are interested in finding out more please email
